

Stick and Rudder Club

We will discuss the new Airman Certification Standards (ACS) and how the older Practical Test Standards (PTS) fit into the new enhanced process which takes a lot of the confusion out for the CFI and Student Pilot. We will also cover the Flight Risk Assessment Tools (FRAT).

Directions: We will meet in the meeting room to the right as you enter.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
